

Be Satisfied

Stop!

Do not remember that dreadful old dead!

You have been given a new deed to a kingdom which contains not old bones hidden either in the ground or in a closet

You have been freed from the old passed with its ghastly old ways.

No hidden misery can God Almighty see.

Be assured the promise of Salvation Jesus has been accomplished for you.

You have Jesus Righteousness living on the inside of you.

Satisfaction this assurance shall bring to every part of your person.

A creditable person have you become.

Words of encouragement this day certainly are being written and spoken even by me that you may have all of God's blessings made known to you.

Do not allow your person to be dissatisfied with what is or has been incorrect.

Go to God in prayer in Jesus Name and have all circumstances and your person changed.

Our mis/deeds and our deeds not accomplished for whatever reason shall be made null and void.

An acquittal verdict is ours to enjoy.

No more accusations with their punishment shall be yours.

No more trials and failures of same shall be in your name.

Rather in Jesus Name you are today free of all guilt and absolved from their claim.

Take satisfaction from their claim.

Take satisfaction in the knowledge that Jesus died and was raised from the dead to give to you this new lease and the deed to God's Eternal Kingdom

Now you go out into this world and do what God has said.

Do all things in Jesus Name.
