

The first born begotten from the dead had comforted and visited with her planting into the soil of her heart "words" of love that would produce a crop of love her entire life.

Praising Gods for is love and mercy.

Singing, feasting is appropriate on this "Resurrection Day".

Jesus has been raised from the dead and man now may have the opportunity if he wills to be "born again".

There is more to my remembrance and praise that I dwell on this "Resurrection Day".

The one whose anguish and love was so sincere that the "Master Gardener of Heaven" would visit with her. What a day!

"The Living Word", Jesus comes to plant seeds of love, comfort and eternal life into your heart,

"Touch Me Not" (just now)

"I Go to your God and My God".

"Go and tell the brethren I am alive and I shall come and visit with them".

These statements of faith you may take hold of and believe.

May your heart be sensitive and quietly listen for a "word" spoken from the "Heavenly Gardener" into the soil of your heart.

A "sound" will be heard.

It shall gently be your name.
