

## The Accountant

It was accounted unto us as righteousness.

What?

Jesus completed works we place our faith.

On account of Jesus you may bank on His deeds,

You are free from the debt of sin and death.

What a wonderful act this is to and for you to accept.

All of your accounts have been settled.

On account of the completed works Jesus did for mankind.

Jesus worked the works of God for all man in every nation.

Now you settle down and be at peace.

Begin to develop a character tried and developed by faith.

Ungodly as all were at one time Jesus settled this situation when He died.

Jesus was crucified on a cross of wood and died to take away from man all of his sin, weakness, pain and circumstantial misery.

Jesus went to hell to pay the price for all mans misdeeds and his sin nature to be destroyed forever.

God the Father Almighty raised Jesus from the dead and the balancing of all accounts comes to their end.

The end of your life of misery you now by your faith in Jesus works have shall and will set you free from the debt with its evil effects.

You now have a new nature and that of God Almighty.

How grateful now shall be become.

One we are now with God in Christ Jesus eternally.

Know and understand this day what Jesus, God only begotten Son has done for you.

Done in are you?

The accountant Jesus is here to speak.

On account of "My Works and Deeds" you are born again if you have faith in Me and believe.

Only believe.

Jesus is now your Salvation and has been raised from the dead.

On account of Jesus you have life not death!

You are not done for.

Jesus has done all to and for you to settle the account that was due you.

On Jesus account you may and can count.
